

Two-Days workshop

Strategic Initiatives and Implementation of NEP 2020

About the College

Established on 1st August 1968, Yodh Singh Namdhari Mahila (YSNM) College, Daltonganj, holds the distinction of being the first Women's Constituent College in the Palamu Division. As a multi-faculty and multi-disciplinary institution, YSNM College is dedicated to empowering women through education, offering a range of undergraduate and postgraduate courses.

Our mission is to expand the horizons of higher education beyond traditional boundaries, making it more job-oriented and accessible to all segments of society. Our alumni have secured positions across the country, demonstrating the college's commitment to academic excellence and career readiness.

At Y.S.N.M. College, we emphasize value-based higher education, focusing on academic quality, character building, total personality development, and disciplined living. We aim to create a conducive learning environment within a framework of liberal values, fostering freedom of thought and expression. Our efforts are directed toward developing responsible citizens who achieve personal fulfillment and contribute positively to society.

Vision

Education is one of the most powerful instruments for reducing poverty and inequality. Y.S.N.M. College, Daltonganj, was founded with a mission to fulfill the educational needs of semi-urban, poor, and rural women in the Palamu district. Our vision is centered on ensuring access to quality education for all women, regardless of caste, creed, or economic status.

Our motto, "Vidya Dadati Vinayam," encapsulates our philosophy:

'True knowledge gives discipline, from discipline comes worthiness, from worthiness one gets wealth, from wealth (one does) good deeds, from that (comes) joy'. In essence, knowledge leads to happiness.

Mission

- To cultivate academic excellence by building competence for community service.
- To foster independent thinking by providing an academic atmosphere that transforms students into knowledgeable and wise individuals.
- To promote advanced scholarship through innovative programs.

About the workshop

In alignment with the National Education Policy (NEP), this workshop aims to create awareness among teachers and familiarize them with the skills required to implement the policy effectively. The policy promotes broad-based, multidisciplinary, holistic undergraduate education with flexible curricula, vocational integration, and multiple entry and exit points with appropriate certification. The goal is to transform higher education institutions into vibrant, multidisciplinary spaces that excel in teaching, research, and community engagement.
